The Governor's Office of Energy Management and Conservation developed the **Rebuild Colorado** program to help building owners identify and assess energy-saving projects in buildings, and help make those projects a reality!

Call us when you ...

- ✓ Are strategizing to upgrade your buildings
- ✓ Are planning a new building
- ✓ Want to improve comfort and solve maintenance problems
- ✓ Are developing projects for capital improvement budgets (internal funds, bonds or grants)
- ✓ Want to use energy savings to pay for projects
- ✓ Want to bring energy costs under control

Free services for public buildings:

School districts
State agencies
Higher education
Cities
Counties
Hospitals
Multi-family buildings

*Information and telephone support
are available to others.*

Rebuild Colorado works in partnership with:

We're here to get you started, and see you through
